

BlueParrott B550-XT

Simply talk, to talk.

The world's first 100% voice-controlled headset*

Engineered for superior calls in high-noise environments

Industry-leading noise cancellation.

Blocking out 96% of background noise gives your conversations the quality you've been looking for – ensuring that you're heard no matter what type of high-noise environment you're in.

All-day conversations

With up to 24 hours talk time, and 400 hours of standby time, you won't need to cut short your conversations.

Just talk. Voice-controlled calls.

When you need your hands to do your job, use your voice to activate the headset and control your calls, GPS directions, music, voice assistants, and more. Complete hands-free use lets you concentrate on the task at hand.

All-day comfort.

BlueParrott B550-XT is a fifth generation Bluetooth wireless headset, with a design perfected for all-day wearing. With extra padding on the headband and a larger, more cushioned earcup, the B550-XT gives you the headset experience you need when on the road

Rugged design. Built to last.

BlueParrott B550-XT features an IP54-rated design and comes with a 1-year warranty against damage from water and dust. Wherever your day takes you, your job won't get in the way of reliable connectivity to calls, GPS directions and music.

Quick control, the way you want it.

Our popular Parrott Button™ lets you customize your favorite features at the touch of a button[®]. Speed dial, mute, and Push-to-talk capabilities make for quick and easy access to what matters most – your conversations.
