

Control Connector Inserts

IPS-C610D
2 x 4 Pin Female XLR to Solder

IPS-C611S
4 Pin Mini XLR to Captive Screw Terminal

IPS-C612S
TPS Block 10 Connector

IPS-C710D
Neutrik EtherCon RJ-45

IPS-C410S
9 Pin DSub Male to Female Bulkhead

IPS-C411S
9 Pin DSub Male to Solder

IPS-C910S
Momentary Switch

IPS-C920S
2 x Momentary Switch

Under Table Enclosures

IPS-UT11
1 W x 1 H Under Table IPS Enclosure

IPT-UT21
2 W x 1 H Under Table IPS Enclosure

IPS-UT12
1 W x 2 H Under Table IPS Enclosure

IPS-UT22
2 W x 2 H Under Table IPS Enclosure

IPS-UT31
3 W x 1 H Under Table IPS Enclosure

IPS-UT32
3 W x 2 H Under Table IPS Enclosure

IPS-RK12
Bracket with 6 2 Slot IPS Openings

Machined 1/4" Aluminum Wall Plates

IPS-WP1S
1 Gang Plate w/ 1 IPS

IPS-WP1D
2 Gang Plate w/ 1 IPS

IPS-WP2D
2 Gang Plate w/1 IPS and 1 Decora

IPS-WP1T
3 Gang Plate w/ 2 IPS

IPS-WP2T
3 Gang Plate w/ 2 IPS and 1 Decora

IPS-WP3T
3 Gang Plate w/ 1 IPS and 2 Decora

IPS-WP1Q
4 Gang Plate w/ 3 IPS

IPS-WP2Q
4 Gang Plate w/ 2 IPS and 2 Decora

IPS-WP3Q
4 Gang Plate w/ 2 IPS and 1 Decora

IPS-WP4Q
4 Gang Plate w/ 1 IPS and 2 Decora

IPS-WP1H
(Black Only)
6 Gang Plate w/ 5 IPS Openings

IPS-WP2H
(Black Only)
6 Gang Plate w/ 3 IPS and 2 Decora

Also available in High Strength Plastic

WP = Aluminum
PWP = Plastic

Simple Solutions for Decora Wallplates

Keystone Inserts

Decora Trim Rings

SS-DPLT1 - 1 Gang Wall Plate
SS-DPLT2 - 2 Gang Wall Plate
SS-DPLT3 - 3 Gang Wall Plate
SS-DPLT4 - 4 Gang Wall Plate

* When using the Decora inserts below, these models only fit the SS-PORT3.

Decora Inserts

FSR has the solution for custom AV and Data Plates. The IPS connectivity family is in stock, priced competitively and works well in walls, under table and floor box applications.

The Wall plates are machined from 1/4" aircraft grade aluminum for a lifetime of service. Our plates are available from single gang up to 6 gangs and mix standard decora openings with IPS openings, an FSR exclusive.

The insert connectors are mounted to steel plates again insuring a lifetime of service. The inserts are available with no labeling, standard labeling or we will custom label them for you.

To make design work easier, visit our web site and try out the IPS Planner. It's a simple drag and drop tool for building wall plates and provides finished drawings as well as a bill of materials.

Additionally, our IPS inserts can be changed at any time for easy upgrade-ability.

All IPS wall plates and inserts carry a limited lifetime warranty.
