

Jabra Link 370 USB adapter

A USB adapter to enhance Bluetooth® connectivity from your Jabra device to your laptop

Jabra Link 370 is a discreet, Plug and Play USB Bluetooth® adapter that connects your Jabra Bluetooth® device with your PC to ensure quality of sound and extended wireless range for UC calls. The adapter allows you to easily manage your laptop calls and gives you wireless mobility up to 100ft/30m. With HD Voice you can enjoy high-definition sound from your softphone, and enjoy life-like UC conversations.

Superior range for optimal mobility

Bluetooth® Class 1.0 secures a best-in-class range of up to 100ft/30m giving you the freedom and confidence to move away from your laptop when on a call.

Crystal-clear sound for life-like calls

Jabra Link 370 incorporates sound quality features to provide you with a rich sound when you are away from your desk. HD Voice gives your crystal-clear, intelligible conversations, and HiFi Audio Streaming with A2DP allows you to stream music in amazing HiFi quality.

More reasons to choose
