### Adjustable

Height-adjustable cart adjusts from 26 to 42 inches.

### Safe

Top shelf include a non-slip rubber mat and all shelves include a raised edge to help hold materials in place when in transport.

### Secure

Cabinet carts include a locking lower cabinet to help deter theft of materials and equipment.

### Convenient

Carts are ideal for supporting projectors, document cameras, computers, monitors, or other audio visual equipment. Top shelf includes a non-slip rubber mat.

### Additional Shelf

Pull-out notebook shelves are constructed of 18-gauge steel and are 20" x 14". Each shelf has 1.5" height clearance when closed and is rated for up to 15 lb.

### Built for Safety

The Adjustable Cart has achieved GREENGUARD Gold Certification.

### All-Steel Construction

Cart is constructed from 18-gauge and 20-gauge prime steel, which contains 25 to 35 percent post-consumer recycled content and is finished with powder coated paint.

### Standard Color

Black Pumice
