Fixed Length Extension Columns

FOR USE WITH PEERLESS-AV® DISPLAY MOUNTS,
PROJECTOR MOUNTS AND CEILING PLATE ACCESSORIES

Designed to blend in and work with almost any environment, Peerless-AV's line of EXT fixed columns range in length from 6" up to 10', with many lengths in between. The range of columns makes it easy to find the proper column length for your desired application. Whether it's for an office setting, or you need it mounted on a tall cathedral ceiling, the fixed column will support up to 500 pounds. The flexibility and strength of these columns make them ideal for exhibits and retail or digital signage applications.

Peerless-AV's EXT columns have been designed in a variety of lengths, making it easy to find the perfect size necessary for your application.

Additional Features

- ✓ 1-1/2" - 11.5 NPT threaded on both ends. Notched for use with screw to provide safety and security.
- ✓ EXT model extension column lengths measure 1" (25mm) longer than stated drop to provide finished drop length for various mounts
- ✓ Lightweight aluminum construction for ease of installation and lower freight cost
- ✓ Cable management access provided at one end of column
- ✓ Agion® antimicrobial* finish assists in controlling the spread of infections with -AB/-AW models

*Antimicrobial protection is limited to the treated article and does not protect a user against disease causing bacteria. Always clean products thoroughly after each use. Visit agion-tech.com for more details.

CABLE MANAGEMENT

Allows added capability for routing cables

Cable management

Available in silver, black or white to match displays, projectors and ceiling mount surfaces

EXT Models: Fixed Length Extension Columns for use with Peerless-AV® Display Mounts, Projector Mounts and Ceiling Plate Accessories
