

SEAL SHIELD™ Silicone Optical Mouse

Models SSM3 and SSWM3

The SEAL SHIELD™ washable mouse has been developed to help prevent the spread of infections, including MRSA and C. Diff. The SEAL SHIELD™ mouse is 100% waterproof and can even be disinfected with bleach. The combination of waterproof technology and antimicrobial product protection achieves the highest level of protection available in a true type keyboard today.

Meets medical industry standards to withstand harsh disinfectants.
