TOP FEATURES

- Ideal for enterprise and contact center professionals who use multiple devices and require premium sound quality for their business communications
- Enjoy an enterprise-quality audio experience by listening to music and media in premium hi-fi DECT stereo (W8220)
- Active noise canceling (ANC) tunes out background noise, ensuring great audio quality and fewer interruptions (W8220)
- DECT Security certified; uses the latest standards in DECT wireless security
- Adaptive power system allows you to automatically downshift to low power when the headset is close to the base to save battery life and maximize density
- Conference two of your three devices together — PC to desk phone or mobile to PC
- Ringer in the base with volume controls (off, low, medium, high)
- Limit the transmission of nearby conversations with the close conversation limiting feature (configurable in Plantronics Hub)
- Plantronics Manager Pro, software-as-a-service that is sold separately, enables your IT team to gain insight into every Plantronics headset being used company-wide
