T3-AC2
Shown with round cover in black.

T3-PC1
Shown with square cover in brass.

DESCRIPTION

The T3-PC1 and T3-AC2 are perfect table boxes for single users, where convenient access to network drops, ac power sources and video/audio displays is required. The small footprint provides an un-obstrusive complement to any décor.

The T3-PC1 allows the user to connect their Laptop or PC to an external video display and house sound system as well as "link up" with network and phone lines.

The T3-AC2 primarily allows quick, convenient access to AC power and network access for up to two computers or laptops.

The keystone areas can be populated with a variety of connectors including network, telephone, RCA or mini stereo audio, push buttons and much more to suit unlimited applications. Alternate style snap in keystone connectors and blanks are available separately for either model.

Both of these stylish table boxes fit a 3½" round opening and are easily installed using a standard hole saw.

Round and square covers are available in black or aluminum to blend with the decor. (Either table box can be special ordered in brass, consult factory)

The T3-PC1 includes:
1 AC Power outlet (pre-mounted)
1 HD15 Computer Video Female Connector
1 Stereo mini jack with 3-pin screw terminal plug
1 RJ-45 pass through connector (pre-mounted)
1 RJ-11 pass through connector (pre-mounted)
1 RJ-45 pass through connector
1 Keystone Blank

The T3-AC2 includes:
2 AC Power outlets (pre-mounted) with 9' integral
    14 GA SJT power cord
2 RJ-45 pass through connector (pre-mounted)

Both styles can be installed in tables ¾" to 2½" thick. They are shipped with 3" installation screws and the components listed above.

APPLICATIONS

• Desks
• Lecterns
• Lab Tables
• Boardroom Tables
• Control Consoles
• Classrooms

FEATURES

• Round or Square Covers
• Can be matched to nearly any décor with
    Black, Aluminum or Custom Brass Top
