

iMouse A20 Antimicrobial Ergonomic Wireless Mouse

Ergonomic, Antimicrobial, and Wireless Mouse. With the specially designed vertical shape, the Adesso iMouse A20 provides a uniquely comfortable ergonomic mouse experience. Buttons are conveniently located on the side allowing for intuitive control and faster back and forward browsing. The switchable DPI (1000/1600/2400) provides for two levels of control. The iMouse A20 is plug and play and requires no drivers.

■ Ergonomic Vertical Design

The vertical design provides better support for your forearm minimizing wrist pain that can come from twisting.

■ 2.4GHZ Wireless Technology

With 2.4 Ghz RF wireless technology you can enjoy working at any angle and at a distance of up to 30 feet.

■ Antimicrobial

Made with antimicrobial material which prevents the growth of harmful bacteria and protects against the build up germs between washings.

■ 1000/1600/2400 DPI Resolution

Provides responsive, smooth cursor control and precise tracking and easy text selection thanks to high-definition optical tracking (1000/1600/2400 DPI).

■ Enhanced Optical Sensor

Optical sensor technology improves precision and even lets you work on most glass, wood, marble and leather surfaces without a need of mouse pad.
